Travel Registrar – Boys: Three teams went down a division. GOSA possibly has 3 teams from Kissimmee. She is waiting to hear back from them. Players need to update their pictures in GotSoccer during the spring season. When new passes are

printed for the 2016/2017 year their age progression is accurate and all pictures are headshots.

Academy Bookkeeper: JR Academy has 48 registered for spring (51 last year). SR Academy has 37 registered for spring (30 last year). She will send an email to the parents this week and that should increase the numbers.

98 Girls
110 DYSC Boys
80 GOSA

We have 1 girl who didn't pay in full buy 11-15 but is now paid in full

We have 3 boys from the U19 team who have not paid in full and have been told their passes are pulled. I also sent them letters in the regular mail. Indicating that and offering for them to make payments from Nov to February to pay it off. Have not heard from any of the 3.

New players for the spring we have 8 dysc and 8 GOSA so far. So 16 new players
- 1 manual payment, 2 with credit cards in got soccer 13 who have paid in full.

Winter Camp had 79 paid in full. There were 17 players that walked up (not pre-registered) and paid. Would like to get the word out about the summer camp by the end of March 2016.
