**President – Travis:** Opening with welcome. Attended the GCF meeting last week. Referees attended, too. They went over field change rules. Our district is doing well with implementing the changes. Our GCF district had elections for DCs.

Heather Elliott resigned from treasurer position. Rose will continue to assist until a replacement is found.

The new shirts for coaches will have the updated badging on them. Coaches will receive them as they need them.

**VP - Jim:** Has been working on City's field use agreement for Dewey. It will be changed to reflect holding tournament(s) & camp(s). It should be completed this week.

City is implementing \$5 per player for lights.

Lights will be installed at Manny Rodriguez and Campbell Park next. Depending on Deltona City's budget will determine when lights will be installed at Dwight Hawkins.

**VP2 - John:** Waiting on Orlando to settle on the winter camp details. The website will need to be updated with winter camp dates before the fliers are distributed.

He has 2 volunteers to hand out fliers at Spooktacular.

Still needs a committee for the parade float. Orlando will have teams available for each parade we participate in. Deltona = Dec 5 and Orange City = Dec 12

**Merriann:** Next meeting scheduled for November 8, 2015 at Wes Crile.

**DOC Girls – Zana:** The first coaching clinic was successful. All coaches were present except for two.

Technical Mondays for the SR academy have been successful.

**DOC Boys – Randy :** no report

**DOS – Orlando:** Likes what he is seeing from the coaching clinic. Most coaches are in agreement with the information provided.

Winter Camp is actively being planned. Planning to start on the second Saturday in January; 9am – 11am for 6 weeks. Location is Campbell Park. Wants to limit quantity of player registration.

Zana & Randy will be walking around meeting with other coaches and evaluating them as they run their practices. This will be done on a consistent basis.
