***FXL- Florida Program :**

*Following a series of meetings and conversations DYSC and FXL Florida (Mike Jackson- President) have reached an agreement on how to move forward together to expand the game of soccer in Volusia County in a cooperative manner. FXL's mission to expand soccer in cooperation with club and high school programs has resulted in a variety of programs that will meet club needs between seasons, and player's needs throughout the season. Each program will be reviewed and presented online as they fit with our programs. These will include indoor soccer, futsal, adult indoor programs, individual training, and select showcase teams. Select showcase teams will play in tournaments that fall in the gaps between our club season play to augment player development.
